## Best Practices for Navigating a Small Business Chapter 11

### Bankruptcy

January 13, 2021

2:00 - 3:00 p.m. CT

In early 2020 a key new revision to the Bankruptcy Code took effect which made it much easier and cheaper for small business debtors to file for and confirm Chapter 11 plans of reorganization. This dramatic change in the law can have a major adverse impact on lenders.

This webinar will address the changes that have occurred under the law and instruct lenders how it can be used to either hurt or benefit them.

It will also cover best practices to help lenders better posture themselves so as to mitigate the adverse impact of these new insolvency proceedings.

#### Program objectives:

- Overview of what’s new in small business bankruptcy proceedings
- Consensual vs. non-consensual plans
- Secured creditor strategies for small business bankruptcies
- Key plan objections
